With the pressures faced by businesses today, this event offers an opportunity to work together, learn from each other and share knowledge which will encourage economic growth within the Hospitality and Tourism sector in Moray. In addition the event provides an opportunity realise the potential of our area and nurture home grown talent through a combined and focussed vision.

Students from Moray College will be assisting in the planning and organisation of the event. They will also be showcasing their skills in food preparation and service with a two course lunch served to you in Moray College's Beechtree Restaurant.

Please be our guest for the day at Moray College.

Please note that there is no charge for this event and as there are a limited number of places, applications will be accepted on a first come, first served basis.
